FREE EVENT.

Description: In partnership with the cast & crew of *Stuart Little the Musical*, Arms Wide participants will experience a grand adventure, just as Stuart Little does in the Academy All-Star production. This drama workshop event will be fun-filled, with a focus on theatrical activities rather than performance. Participants will learn all about the performing arts and topics such as characterization, ensemble, and physicality in an active way through games, crafts, and team-building exercises. Be a part of the adventure!

Stuart Little Synopsis: Explore this endearing, classic tale about a mouse who is part of an ordinary New York Family. Stuart Little is a little guy with a big heart (not to mention whiskers, a little pink nose, and an extremely dapper wardrobe). He searches for a sense of belonging and a place to call home in a decidedly super-sized world. When his friend Margalo leaves, Stuart embarks on a series of adventures with a variety of characters—and learns the true meaning of family, loyalty, and friendship.
